12.2 Vacancies

12.2.1 Transfer requests for staffing subsequent school years shall be filled using the following process:

12.2.2 Vacancies for the Subsequent School Year

Vacancies for the subsequent school year shall be filled according to a multi-phase process as set forth in this Article.

12.2.2.1 General Provisions

12.2.2.2 The Process: The process for filling vacancies according to the “match process” defined in this Article is comprised of five phases which take all of the following into account:

- a. The needs of the District to fill vacancies in a timely manner for the benefit of students;
- b. Recognizing the past service of teachers who have been displaced from a position due to external factors over which they have no control; and
- c. Empowering teachers at school sites with a significant and meaningful role in the selection process for filling vacancies.

12.2.2.3 Personnel Committee:

- a. Unit members at each school will elect a Personnel Committee (“PC”) of not more than seven (7) members with the simple majority (at maximum) of members being teachers at the site. For example, a seven (7) member PC shall have four (4) teacher members, and a five (5) member PC shall have three (3) teacher members.
- b. The PC members shall, as much as feasible, reflect the needs of grade levels, departments, and specialized programs. The PC shall call upon individuals to provide information, experience and input in particular areas of expertise as needed. At the secondary level, at least one unit member with knowledge and/or experience in the content area, grade level or pathway of the position for which a transfer applicant/candidate is being considered shall participate in the process.
- c. By the second Friday in January, the PC will designate up to two teachers of the PC to be trained by Human Resources.
- d. All teacher members of the PC will receive a stipend of \$250. Up to two teacher members shall receive an additional \$100 stipend for being designated as being available to participate in the summer hiring process during Phase 4.

12.2.2.4 Distribution of Information: As vacancies are identified for the subsequent school year, the Site Leader/Principal shall request from the Human Resources Services and Support a list of eligible candidates who have submitted timely voluntary transfer requests or who are Talent Pool Teachers

as defined in section 12.2.2.5(B)(2)(a) below returning from extended leave of absence, and qualified external applicants. This information shall be provided to the Site Leader/Principal and the PC in a manner that facilitates timely implementation of the provisions of this Article.

- a. **The Human Resources Department shall update the vacancy list which shall be made available to voluntary transfer applicants and Talent Pool Teachers. The District shall promptly provide alerts as new vacancies occur.**
- b. The Human Resources Service and Support shall notify candidates, either electronically or in writing, when their names have been submitted to the site for consideration for transfer to that site or location. *[Formerly 12.2.2.2]*

12.2.2.5 The Process for Filling Vacancies

The District and the Association share an interest in facilitating placement of unit members in school programs for which there is a match between unit member desire and program need. For this reason, employee initiated transfers shall be granted upon the approval of Human Resources Services and Support (HRSS). Unit members may submit a request for transfer to HRSS as provided in this Article.

12.2.2.5.1 Phase 1 (Open Hiring): Commencing with the second semester, the District may fill vacancies with voluntary transfer applicants, teachers assigned to Instructional Support roles, teachers returning from extended leave, teachers exiting a school/program pursuant to Articles 12.9, 27 or 28 and external candidates hired by the District up to the date “Phase 2” opens, which shall not be later than April 1.

- a. **Criteria for selection shall be based on required credentials/qualifications and experiences and hiring criteria, defined in section C below if applicable (hereafter referred to collectively as “the match criteria”).**
- b. **The PC shall interview and observe (if possible), voluntary transfer applicants and require demonstration lessons of all other Phase 1 applicants.**
- c. **Individuals selected to fill vacancies shall be determined by a “match” between the stated preference of the applicant(s)/candidate(s), and the recommendation of both the PC and the Site Leader/Principal.**
- d. **Teachers participating in Phase 1 as voluntary transfer applicants must notify Human Resources in writing (including email) not later than the end of the first workweek in January. This date shall also be the deadline for the first early declaration of separation. Unit members who wish to be considered for assignment to a vacancy and have not submitted a timely transfer request as required herein, must submit an application (either electronically, on-line, by mail or in person) for the position listed on the Position List to the Human Resources Services and Support. *[formerly in 12.2.2.4, 12.6.]***

- e. **Each voluntary transfer applicant shall indicate in the written notice one of the following choices:**
 - i. **The employee is leaving his/her current assignment in order to participate in Phase 1; OR**
 - ii. **The employee may transfer depending on the vacancy opportunities, but is not leaving his/her current assignment at this time.**
- f. **Voluntary transfer applicants who submit a section (e)(i) notice above shall be considered for known vacancies first, along with other teachers and candidates described in paragraph “Phase 1” above.**
- g. **After all “(e)(i) teachers” have been considered, voluntary applicants who submitted a section (e)(ii) notice above shall then be considered for known vacancies, along with other teachers and candidates described in paragraph “Phase 1” above.**
- h. The “(e)(ii) teachers” referred to in section (g) immediately above will receive written or electronic notification of selection or non-selection. The non-selected candidate may arrange a conference within five (5) days from the notice with the Human Resources Director or designee. *[formerly 12.2.2.]*
The “(e)(ii) teachers” referred to in section (g) immediately above may choose among the following options:
 - i. **Accept a “match” and voluntarily transfer; or**
 - ii. **Decline “match” opportunities for transfer and retain their current assignment; or**
 - iii. **Leave their current assignment, and participate in the transfer process according to the remaining Phases set forth in this Article.**

12.2.2.5.2 Phase 2: (Priority Advisory Matching): Beginning not later than April 1 and extending for twenty (20) teacher workdays, vacancies shall be filled exclusively by teachers in the Talent Pool through the following process.

- a. **The Talent Pool is comprised of teachers whose current positions have been consolidated due to reasons including overstaffing, school redesign, school closure, unassigned Instructional Support teachers, teachers exiting a school/program pursuant to Articles 12.9, 27 or 28 and unassigned teachers returning from an extended leave of absence.**
- b. **In order to be considered for placement, a teacher in the Talent Pool must participate in the process set forth in this section. Failure to do so shall result in a teacher foregoing the priority placement rights set forth in Phase 2.**
 - i. **“Participate” means attend the school site showcase, present a demonstration lesson (only for teachers returning from extended leave) and engage with the PC. Thereafter, Talent Pool Teachers must submit a list of up to five (5) preferred schools to the Human Resources Department by the deadline established by HR.**

- ii. Talent Pool Teachers shall be offered two (2) days of substitute coverage to “participate” during Phase 2 after the school site showcase.
- c. In order for the PC to exercise the right to provide the Advisory Matching Feedback Form to a Talent Pool teacher who has included a school among the list of preferences, the school must participate in the process with such teacher. Failure to do so shall result in the PC foregoing its right to provide the Form to such teacher, and the teacher shall be deemed to be a “match” for that school.
 - i. “Participate” means attend the school site showcase, offer visits to the site, engage with interested teachers, watch demonstration lessons (only for teachers returning from extended leave), and conduct classroom observations (if possible).
- d. The OEA President and Superintendent/designee may determine that capacity and time constraints necessitate modifications of the levels of “participation” provided in sections 2(b) and 2(c) above. This could mean, for example, that there may be insufficient time for a teacher to visit every school and/or for the PC to observe, engage with or conduct a demonstration lesson for every interested teacher.
- e. The PC’s recommendation shall be based on the match criteria to determine if there is a “match.”
- f. An external candidate or a voluntary transfer applicant who elected to leave their current assignment and remain in the transfer process (section Phase 1 (h)(iii) above) may be selected to fill the vacancy during Phase 2 only if there is no Talent Pool teacher who meets the match criteria, in which case, sections 2 (h) through (j) below shall not apply.
- g. Placement in vacancies shall be determined by a “match” between the stated preferences of the Talent Pool teachers and the recommendation of both the PC, and the Site Leader/Principal.
- h. The PC shall provide a list of teacher(s) it is recommending to the Site Leader/Principal who shall then indicate agreement or disagreement with the recommendation(s).
- i. If the Principal/Site Leader disagrees with any PC recommendation(s) on the list, the Principal/Site Leader and the PC shall be afforded an opportunity to reach agreement. In the absence of agreement, there shall be a review by the Superintendent and OEA President, whose decision shall be final.
- j. The final list will then be forwarded to the Human Resources Department which shall facilitate the placement of Talent Pool Teachers at any of each individual’s up to five (5) preferred schools.
 - i. For example a less senior teacher could be placed at “matched” school “A” for which a more senior teacher did not “match.” Instead,

the more senior teacher could be placed at school “B” for which there was a “match.”

ii. In any event, a Talent Pool Teacher who has not been “matched” with any of his/her up to five schools, shall be placed at one of those five schools based on seniority, or may elect one of the following options in section (k) immediately below.

k. A Talent Pool Teacher who does not elect to be placed at a school as provided in section (j)(ii) above may instead exercise one of the following options:

i. Be placed in available Instructional Support roles. These teachers shall be placed by the District in order of seniority, with the District giving due consideration to the teacher’s preference, strengths and interests; OR

ii. Elect to remain in the Talent Pool.

12.2.2.5.3 Phase 3 (Advisory Matching): Following the close of Phase 2 above and extending through June 30, the District may fill vacancies from teachers remaining in the Talent Pool, remaining voluntary transfer applicants who elected to remain in the transfer process (section Phase 1 (h)(iii) above), and external candidates, subject to the match criteria and the following process.

a. Teachers remaining in the Talent Pool at the close of Phase 2 shall be considered for new vacancies, providing they communicate to the Human Resources Department in writing (including email) their interest in specific listed vacancies within three (3) teacher work days after a vacancy is posted to the vacancy list. Talent Pool Teachers and schools with vacancies must “participate” as defined in Phase 2 above, provided, however, there will be no school site showcase.

i. For new vacancies arising after the end of the teacher work year through June 30, participation by the PC shall be by the designated “summer” PC members, and the three (3) days referred to in 3(a) immediately above shall be days on which the District Office is open for business.

b. Individuals selected to fill vacancies shall be determined by a “match” between the stated preference of the applicant(s)/candidate(s), and the recommendation of both the Personnel Committee (“PC”), and the Site Leader/Principal.

i. For Teachers remaining in the Talent Pool who meet the time line in section (a) above, the determination of “matches” shall be made and reported to Human Resources not later than eighteen (18) teacher work days following posting of the vacancy.

ii. As soon as possible thereafter, Human Resources will inform the participating Talent Pool Teachers in writing (email included) whether a “match” was determined.

- iii. A Talent Pool Teacher who has not been matched may arrange a conference with the Human Resources Director or Designee by written request within five (5) days of being notified of not being a match. (formerly 12.2.2.5)
 - iv. Following notification from Human Resources, a Talent Pool Teacher who has been “matched” with the preferred vacancy shall be placed at the school based on seniority if s/he notifies Human Resources in writing (email included) of this election within two (2) teacher workdays, or may elect one of the following options in section (d) (c)(i) and (ii) immediately below.
 - v. Following notification from Human Resources, a Talent Pool Teacher, who has not been “matched” with the preferred vacancy shall be placed at the school based on seniority if s/he notifies Human Resources in writing (email included) of this election within two (2) teacher workdays, or may elect one of the following options in section (c)(i) and (ii) immediately below.
 - vi. As required by Education Code section 35036, voluntary transfer applicants who were not placed in Phase 1 may elect one of the options provided in section 3(d)(i) and (ii) immediately below.
 - c. Talent Pool Teachers meeting the time line set forth in 3 (a) above who have not been placed may instead exercise one of the following options:
 - i. Be placed in available Instructional Support roles. These teachers shall be placed by the District in order of seniority, with the District giving due consideration to the teacher’s preference, strengths and interests; OR
 - ii. Elect to remain in the Talent Pool.
 - d. Voluntary transfer applicants who elected to remain in the transfer process may exercise one of the following options:
 - i. Be placed in available Instructional Support roles. These teachers shall be placed by the District with due consideration given to the teacher’s preference, strengths and interests; OR
 - ii. Elect to remain in the Talent Pool.
 - e. The District may fill vacancies through the Phase 3 “match” process with external candidates immediately if no qualified Talent Pool Teachers apply for the vacanc(ies).
- 12.2.2.5.4 Phase 4 (Summer Hiring):** Following the close of Phase 3 above and extending until two (2) weeks before the first student attendance day, the District may fill vacancies from both current employees still waiting to be placed and external candidates, subject to the “match” criteria and the following.
- a. The designated PC member(s) shall be available to participate in the hiring process over the summer.

12.2.2.5.5 Phase 5 (New Year): Following the close of Phase 4 above and extending into the upcoming teacher work year, the District may fill vacancies from both the Talent Pool and external candidates, subject to the “match” criteria and the following process.

- a. **The District shall place teachers remaining in the Talent Pool or external candidates may be placed into site vacancies.**
Talent Pool teachers not placed into a site vacancy will be placed into Instructional Support Roles. These teachers shall be placed by the District in order of seniority and with due consideration of the teacher’s school site preference, strengths and interests.

12.2.2.6 Hiring Criteria*

As used in this Article, “hiring criteria” are comprised of site-determined and District recognized programmatic elements or Site and Teacher Agreements which require fulfilment of specific teacher responsibilities essential to the operation of the school.

12.2.2.6.1 These programmatic elements can apply to individual schools and programs integrated within a larger school and must be deeply integrated into the organizing principles of the school or program such that the specialized program could not function without them.

12.2.2.6.3 The site based requirements referred to in sections 12.2.2.6.1 and 12.2.2.6.2 above must be identified and implemented by the school or program in order to serve as a criterion to be used in the hiring and placement process set forth in this Article.

The Principal/Site Leader and teacher shall also discuss the option of the teacher’s voluntary return to the Talent Pool and participation in the transfer procedure at Phase 1 for the subsequent school year.

12.2.2.7.4 If the teacher does not select the option to return voluntarily to the Talent Pool, the following process shall apply:

- a. The Principal/Site Leader and the PC shall be afforded an opportunity to discuss the Principal/Site Leader’s written reasons supporting the determination that the Affirmation Agreement has not been satisfied.**
- b. The teacher may also elect to meet with the PC to discuss the Principal/Site Leader’s written reasons supporting the determination that the Affirmation Agreement has not been satisfied.**

12.2.2.7.5 If the PC agrees with the Principal/Site Leader’s determination, the teacher will automatically be placed in the Talent Pool and begin participating in the transfer procedure at Phase 1 for the subsequent school year. In the absence of agreement, there shall be a review by the Superintendent and OEA President, whose decision shall be final. This process, including the review if any, shall be completed not later than the last teacher work day in February.

- 12.2.2.8.5 Absent agreement between the teacher and the Site leader/Principal, and approval by the District, teachers shall serve in Instructional Support Roles for only one (1) school year, upon the completion of which they shall re-enter the transfer process at Phase 1 for the subsequent school year.
- 12.2.2.9 Positions of unit members on leave for one (1) semester or less shall not be considered vacancies. 12.9.3 Should the unit member not exercise this option, he/she will follow the process set forth in this Article.

If more unit members desire to return than there are positions available, the assignment factors shall be considered.

12.9.5 After the unit members in the original school have had an opportunity to be assigned to the new facility, if vacancies still remain, then procedures for filling a vacancy under this Article shall be followed.

12.9.6 Unit members assigned to a school prior to grade reconfiguration (grade level changes) shall have the option of remaining at the school after reconfiguration. An exception would be allowed if the unit members do not have the credential required for the new grade level configuration.

ARTICLE 24 –SALARY AND BENEFITS

Replace 24.1 with the language below:

[The following language is not in bold in order to make it (slightly) more comprehensible. It is all new language.]

2014-15

For the 2014-15 school year, all schedules, substitute rates, and adult education hourly rates shall be increased as follows:

- 2% effective July 1, 2014
- 1% effective February 1, 2015
- 2.5% effective June 30, 2015 at 11:59 PM

2015-16

For the 2015-16 school year, all rates and schedules shall be increased as follows:

2.5% effective January 1, 2016. This compensation shall be tied to preparation for the implementation of Article 10.9.

For the balance of this Article, “unrestricted funds” means all funds granted to Oakland Unified School District (OUSD) by the state on an on-going or one time basis which are legally available for use as salary compensation to all unit members including, but not limited to, all increases in Local Control Funding Formula (LCFF) components including the base grant, concentration grant, supplemental grant and grade span adjustment, but excluding state lottery funds and mandated cost reimbursements.

All calculations involving the cost of a 1% salary schedule increase shall be based on the cost of salary and statutory benefits for all Oakland Education Association (OEA) unit members at the time of the calculation. Therefore, although all examples below use \$1.5 million as the cost of 1% of salary and statutory benefits for all OEA unit members, this amount will change each year consistent with the application of salary increases.

2014-15 Additional Compensation

In addition, all unit members shall receive additional compensation per the following conditions:

For the 2014-15 fiscal year, unrestricted funds in excess of the District’s projected funding under LCFF for 2014-15 shall be allocated to Oakland Education Association (OEA) unit members as follows:

1. Subtract the 2014-15 unrestricted funds as projected as of the District 2014-15 third interim report (\$296,316,598) from the 2014-15 unrestricted funds as determined in the 2015-16 State Budget passed into law and signed by the Governor (the “2014-15 Adjustment”);
2. Multiply the 2014-15 Adjustment by thirty-three percent (33%).
3. Divide the result of 2 above by the cost of a 1% salary schedule increase

The resulting percentage increase, if any, shall be provided to OEA unit members as a one-time payment, paid on or before October 31, 2015. However, if this increased amount is calculated as 0.25% of salary or less, the parties shall meet to determine the best use of these funds. Such use may include but is not limited to issuance of a one-time payment to members, supplies and materials for members, technology purchases or such other uses as may be mutually agreed to.

Example of One-time Payment: (The numbers used in this example are for illustrative purposes only)

State Budget Allocation for 2014-15:	\$ 306,316,598
District 3 rd interim Projection for 2014-15:	<u>-\$296,316,598</u>
Difference:	\$ 10,000,000
OEA %	<u>X 33%</u>
Total One-time Payment to OEA Members:	\$ 3,300,000
Total One-time Payment to OEA Members:	<u>\$3,300,000</u>
Cost of 1% for all OEA members:	<u>\$1,500,000</u>

Total One-time Payment to OEA Members: 2.2%

2015-16 Additional Compensation

- A. For the 2015-16 school year, on-going unrestricted funds in excess of the District’s projected unrestricted funding under LCFF for 2015-16 as of the 2014-15 third interim report (\$320,370,623) shall be allocated to Oakland Education Association (OEA) unit members as follows:

The 2014-15 third interim projected unrestricted funds for 2015-16 shall be subtracted from the unrestricted funds provided as per the State Budget allocation for the 2015-16 school year by the budget passed into law and signed by the Governor for the 2015-16 school year. 39% of the difference shall be used to provide a salary schedule increase to OEA unit members.

Ninety percent (90%) of this increase shall become effective July 1, 2015 in order to assure that the expected funding is realized.

Example: \$3,900,000 x 90%=\$3,510,000 = 90% of increase

The amount generated by this calculation shall be divided by the cost of 1% of salary and statutory benefits for all OEA unit members to produce the amount of an on-going salary increase.

- B. The balance of the salary schedule increase or portion thereof, if any, shall be determined through the following calculation:
 - i. Subtract the 2015-16 ongoing unrestricted funds projected in the 2014-15 third interim report from the actual 2015-16 ongoing unrestricted funds in the 2015-16 first interim report (the “2015-16 Actual Difference”);
 - ii. Multiply the 2015-16 Actual Difference by thirty-nine percent (39%).
 - iii. Subtract from the result of (ii) above, the 90% payment made in Step A
 - iv. Divide the result of (iii) above by the cost of 1%.
 - v. The salary increase resulting from this calculation shall be applied to all rates and schedules effective January 1, 2016.

2015-16 One Time Funds:

In addition, one-time unrestricted funds will be provided to OEA unit members as a one-time payment using the calculation below and be paid effective January 1, 2016. This calculation shall include solely those funds added subsequent to the Governor’s January 2015 budget proposal.

- C. A one-time increase, if any, shall be determined through the following calculation:
 - i. Subtract the 2015-16 one-time unrestricted funds projected in the 2014-15 third interim report from the actual 2015-16 one-time unrestricted funds in the 2015-16 first interim report (the “2015-16 One Time Difference”);
 - ii. Multiply the 2015-16 OneTime Difference by thirty-nine percent (39%).
 - iii. Divide the result of 3 above by the cost of 1%

The resulting percentage increase, if any, shall be provided to OEA unit members as a one-time payment, paid on or before October 31, 2016.

Any additional ongoing unrestricted funds for 2015-16 allocated as of 2016-17 budget adoption in excess of the amount calculated in C above (1st interim 2015-16), shall be treated as additional one-time unrestricted funds for the purpose of this calculation and applied per the preceding paragraph. Payment of these unrestricted funds, if any, shall be made on or before October 31, 2016.

2016-2017 Additional Compensation

- A) The on-going increase to OEA members for the 2016-17 school year shall be calculated as follows:
 - i. Subtract the 2015-16 on-going unrestricted funds projected by the then current LCFF calculator provided by the Fiscal Crisis & Management Assistance Team (FCMAT) as of May 1, 2016 from the 2016-17 on-going unrestricted LCFF funds provided as per the State Budget passed into law and signed by the Governor for the 2016-17 school year.
 - ii. Subtract from the amount in (i) above the dollar amount of increases to the Health and Welfare Fund as set forth in *[the new Health and Welfare Article calculation provisions]*.
This shall be referred to as the “2016-17 Increase.”
 - iii. 30% of the first \$5 million of the 2016-17 increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
 - iv. 42% of the next \$4 million of the 2016-17 increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.

- v. 48% of the next \$5 million of the 2016-17 increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
- vi. 39% of any additional amounts of the 2016-17 increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
- vii. The calculation shall be made as follows:

Example 1: Total Revenue Meets Projected Revenue for Salary Increases (The numbers used in this example are for illustrative purposes only)

	Budget Act for 2016-17:	\$345,370,623

1st Tier Increase	\$5,000,000 x	30%	\$1,500,000
2 nd Tier Increase	\$4,000,000 x	42%	\$1,680,000
3 rd Tier Increase	\$5,000,000 x	48%	\$2,400,000
Total Projected	\$14,000,000 x	39.9%	\$5,580,000

The amount generated by this calculation shall be divided the cost of 1% of salary and statutory benefits for all OEA members to produce the amount of an on-going salary increase.

Funds for on-going salary increase :	\$5,580,000
Cost of 1% for all OEA members:	\$1,500,000
On-going salary schedule increase for all OEA members:	3.72%

90% of this increase shall become effective July 1, 2016 in order to assure that the expected funding is realized.

Example: 3.72% X 90%= 3.35%

The balance of the 2016-17 salary schedule increase or portion thereof, if any, shall be determined through the following calculation:

- i. Subtract the 2015-16 on-going unrestricted funds projected by the then current LCFE calculator provided by the Fiscal Crisis & Management Assistance Team (FCMAT) as of May 1, 2016 from the 2016-17 first interim report of the on-going unrestricted LCFE funds on or before December 15, 2016.
- ii. Subtract from the amount in (i) above the dollar amount of increases to the Health and Welfare Fund as set forth in *[the new Health and Welfare Article calculation provisions]*. This shall be referred to as the “2016-17 Adjusted Increase.”

- iii. Calculating the Adjusted Increase:
 - a. 30% of the first \$5 million of the 2016-17 Adjusted Increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
 - b. 42% of the next \$4 million of the 2016-17 Adjusted Increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
 - c. 48% of the next \$5 million of the 2016-17 Adjusted Increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
 - d. 39% of any additional amounts of the 2016-17 Adjusted Increase shall be dedicated to the OEA bargaining unit as an increase to all rates and schedules.
- iv. Subtract from the result of (iii) above, the 90% payment made in Step A
- v. Divide the result of (iv) above by the cost of 1%.
- vi. The salary increase resulting from this calculation shall be applied to all rates and schedules effective January 1, 2017.

27.1.2 Schools may develop a plan to implement an innovative, specialized program as defined in Article 27.2.1 that may require flexibility and, therefore, deviation from certain provisions of this Agreement and/or District policies.
